

ESSA State Plan Notice of Intent to Submit

In the November 29, 2016 Dear Colleague Letter on ESSA State Plans, the Department established two deadlines for the submission of ESSA State Plans:

- April 3, 2017
- September 18, 2017

Consistent with the requirements of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), the Department will conduct a peer review process of submitted State plans after each of the two submission dates. The Department will not review plans on a rolling basis and will consider each plan to be submitted only on one of the two dates above. In order to plan for the peer review of State plans, the Department requested that each State provide the date by which it intends to submit a consolidated State plan or individual State plans. The information below is provided for informational purposes. At any time, a State may decide to submit its State plan on the other submission date.

The states highlighted in **Red** submitted their plan on April 3, 2017 and posted it on their state website.

The other states with an April 3, 2017 intent to submit have not posted a copy of their plan to their state website as of April 4, 2017, and may have submitted their plan to the Department.
